## Diverting hunt group numbers on IPVS

Article Number: 190 | Rating: Unrated | Last Updated: Thu, Dec 14, 2017 at 1:14 PM

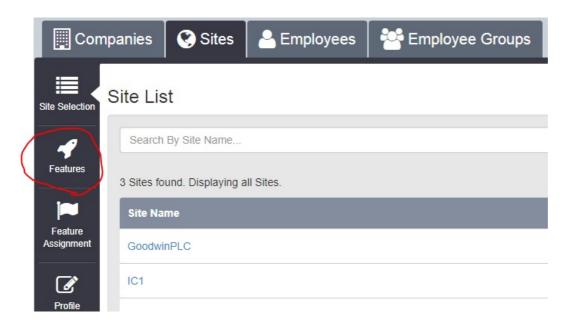

## **Diverting hunt groups**

Log into the business portal at https://portal.yourservices.co.uk/ (https://portal.yourservices.co.uk/)businessportal and sign in with your username/password.

When you are logged in, search for the site you require or just hit the search button, to show all sites in your company and select the appropriate one.

Once the site is selected, click the features tab

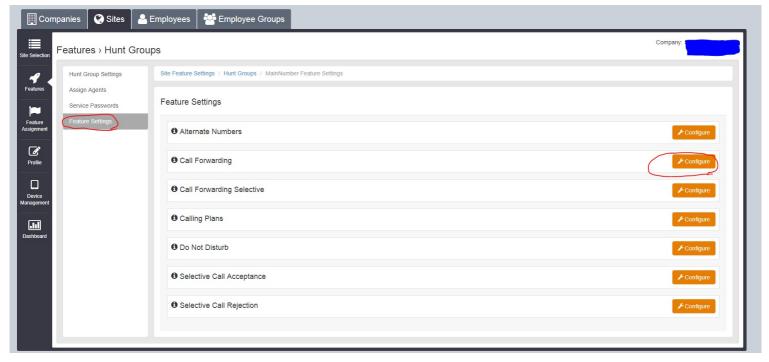

In here you want to select Hunt groups depending on what has been set up.

## Features > Hunt Groups

Select the hunt group in question and go to feature settings, and call forward.

Fill in the details how you want this set up, and hit save.

## Site Feature Settings / Hunt Groups / MainNumber Feature Settings / Call Forwarding Call Forwarding Always Settings Play Ring Reminder When Forwarding \*Forward To Telephone Number / SIP URI Cancel
