

# Selective Call Appearance

## Description

Accept calls when pre-defined criteria, such as phone number, time of day or day of week, are met.

## Function

Selective Call Acceptance allows you to receive only calls that meet your pre-defined criteria. The criteria for each Selective Acceptance entry can be a list of up to 12 phone numbers or digit patterns, a specified time schedule, and a specified holiday schedule. All criteria for an entry must be true for you to receive the call.

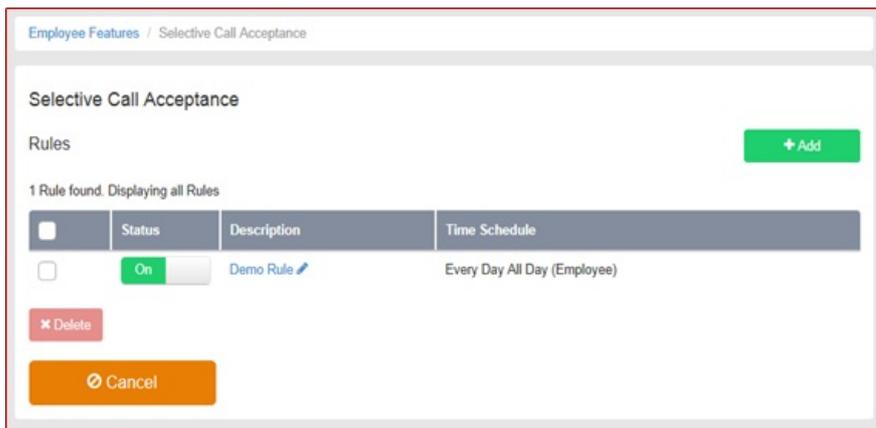

## Configuration/Operation

In The Business Port navigate to:

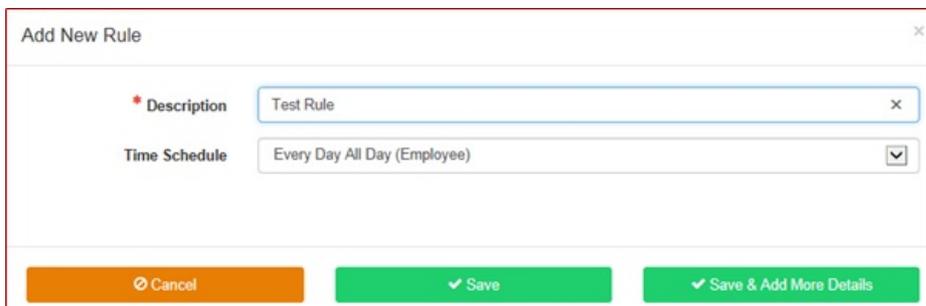

- Employees > Features > Call Control > Selective Call Acceptance

- Select 'Configure'
